

Produce Assistant Manager

Position Description

Role Overview

We are looking for someone who is passionate about produce to join our team. The produce team's goal is to provide our customers with the best quality fruits and vegetables while maintaining beautiful and appealing displays. The Assistant Produce Manager helps receive produce deliveries and keeps our POS system updated with current prices. They help keep the produce work area clean and organized. The ideal candidate appreciates local farms, has an eye for aesthetics, is attentive to detail, and truly cares about providing our community with good food. This role does include working one weekend day.

Responsibilities

- Update prices and product information in the POS system and on the produce display
- Care about our customers and always offer the best customer service possible
- Ensure the produce department display is artfully set up, replenished, and closed in a way that maintains the quality of the product
- Prep and replenish produce for display throughout the day
- Receive deliveries and maintain backstock organization
- Ensure the product is properly labeled
- Quality control and sorting poor quality produce
- Maintain the cleanliness of the produce display, prep area, and backstock

Skills Needed

- The capacity to pay attention to detail and to effectively prioritize multiple tasks
- Ability to receive feedback and maintain positive working relationships with producers, coworkers, and the produce team
- Working knowledge of organic, local, produce
- Ability to work independently and as part of a team
- Experience working in a produce department of a grocery store is a plus
